

Open Information

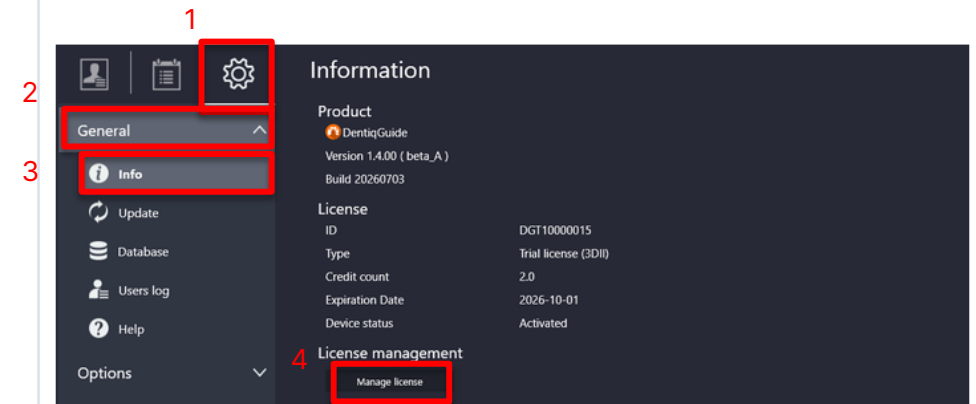

In DentiqGuide, go to Settings.

Open General, then select Info.

You can spot "Manage License", click "Manage License"

STEP 01

Go to Settings > General > Info > "Manage License"

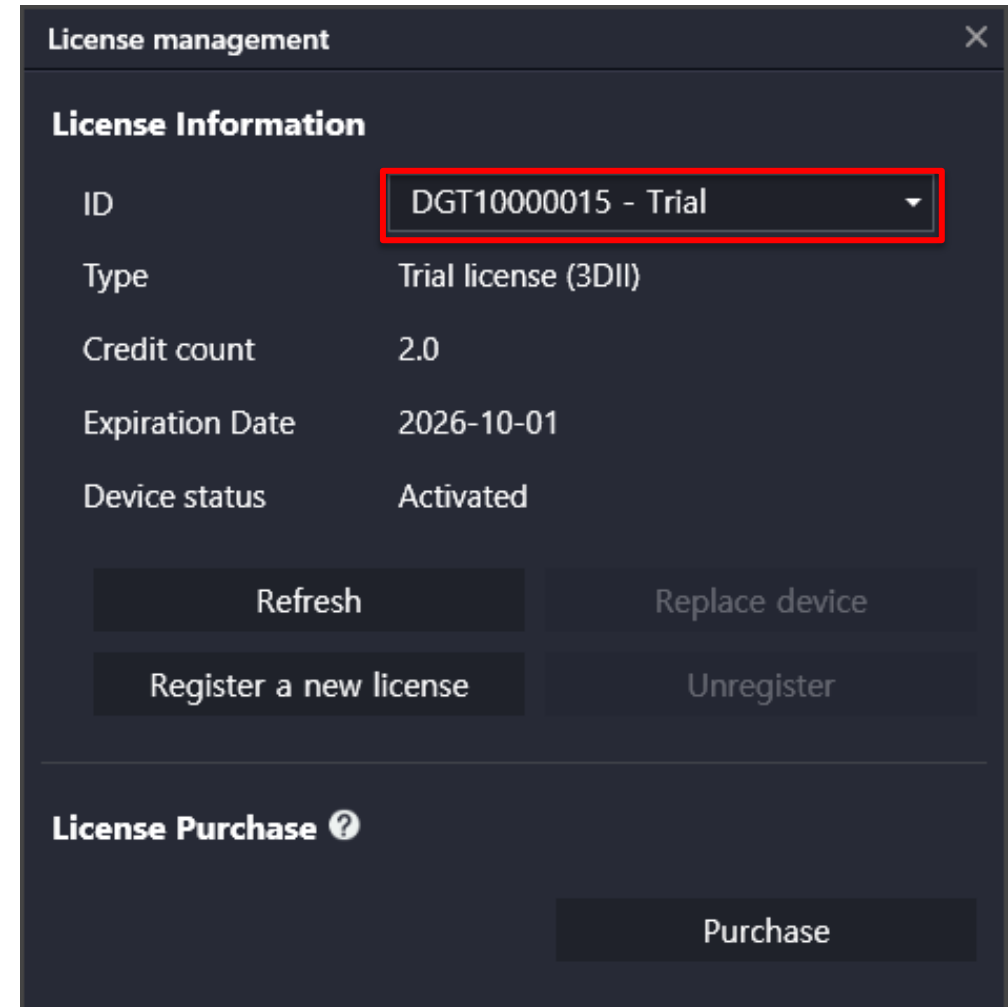

Manage License

If you like to change current license, click license combo box

This opens the entire Licenses that you owned

STEP 02
Click License Combo box

The screenshot shows a 'License management' dialog box with a close button (X) in the top right corner. The dialog is divided into two main sections: 'License Information' and 'License Purchase'. The 'License Information' section contains a table with the following data:

ID	DGT10000015 - Trial
Type	Trial license (3DII)
Credit count	2.0
Expiration Date	2026-10-01
Device status	Activated

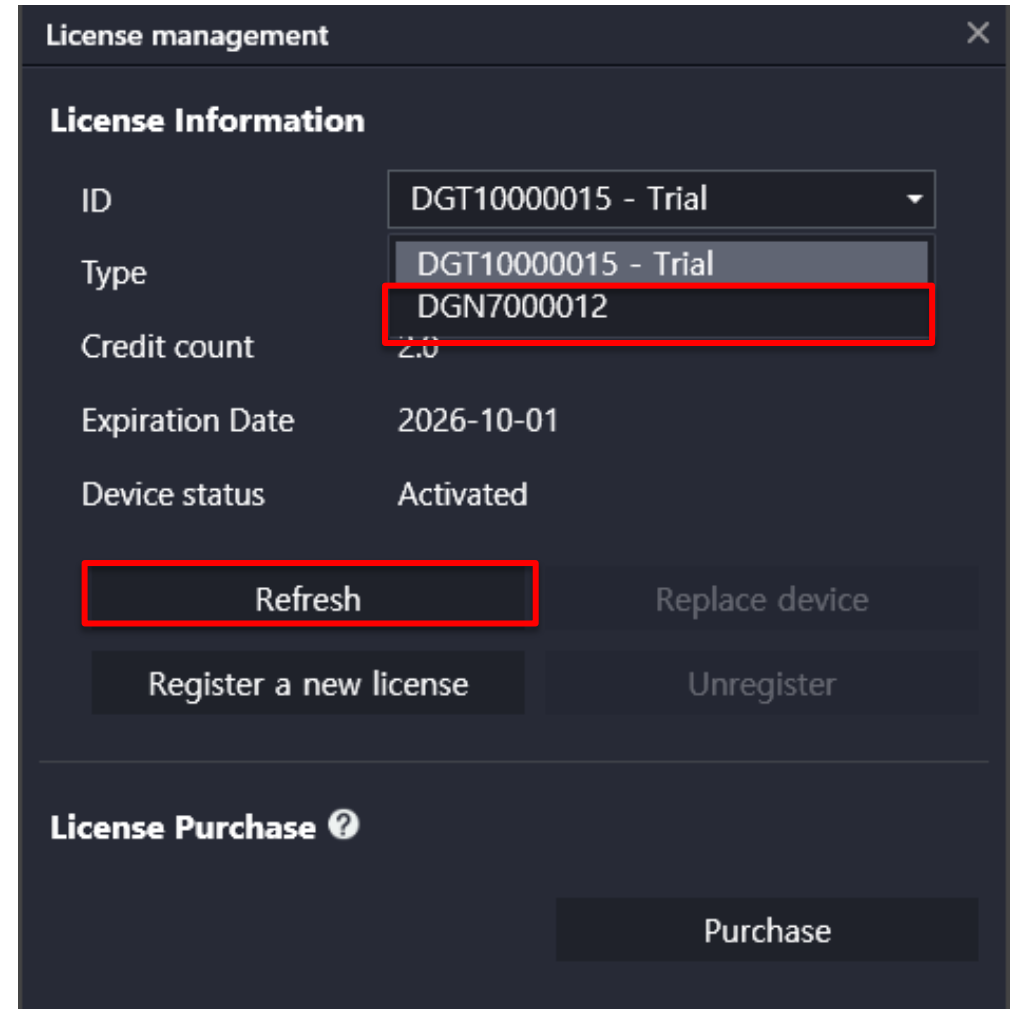

Below the table are four buttons: 'Refresh', 'Replace device', 'Register a new license', and 'Unregister'. The 'License Purchase' section has a question mark icon and a 'Purchase' button.

Select License

Select the purchased license that was issued to your account.

If you do not see it, click Refresh first.

STEP 03
Select the purchased license.

The screenshot shows a 'License management' window with a close button (X) in the top right corner. The window is divided into two main sections: 'License Information' and 'License Purchase'. The 'License Information' section contains a table with the following data:

ID	DGT10000015 - Trial
Type	DGT10000015 - Trial DGN7000012
Credit count	2.0
Expiration Date	2026-10-01
Device status	Activated

Below the table, there are four buttons: 'Refresh' (highlighted with a red border), 'Replace device', 'Register a new license', and 'Unregister'. The 'License Purchase' section at the bottom has a question mark icon and a 'Purchase' button.
